

FOR IMMEDIATE RELEASE  
December 16, 2014

### **New Date for 2015 Nutrience Oakville Half Marathon**

**December 16, 2014 - Oakville, ON** – The 2015 Nutrience Oakville Half Marathon will now take place on Sunday, September 27<sup>th</sup>, 2015. Respecting the importance of the 2015 Oakville Terry Fox Run to our community and working with the town of Oakville, and organizers of the annual Oakville Terry Fox Run, we successfully moved our event to this new date!

“We strongly support the annual Oakville Terry Fox Run” states Race Logistics Manager, Krystal Duz. “When we realized both races were scheduled to take place on the same date in 2015, we quickly moved our Race Weekend one week later. The Town of Oakville was extremely supportive of our decision which enabled this to be a very smooth transition.”

“As we celebrate the 35th Anniversary of the Oakville Terry Fox Run, we appreciate the Nutrience Oakville Half Marathon adjusting their date in recognition of the significance of the Terry Fox Run and his dream of a world without cancer, as well as the importance of the funds raised to support cancer research” says Pam Damoff, Chair Oakville Terry Fox Run.

Mark your calendars as the Nutrience Oakville Half Marathon is excited to move forward with their new date of Sunday, September 27<sup>th</sup>, 2015!

### **About the Nutrience Oakville Half Marathon**

The 2015 Race Weekend will take place on Saturday, September 26<sup>th</sup> and Sunday, September 27<sup>th</sup>. If you are a walker or runner, recreational or experienced, we welcome you to sign up for the event! Race events include: Nutrience Half Marathon, 10K, 10K Student Relay and the 2K Fun Run/Walk. All events start and finish on the shores of beautiful Lake Ontario within Coronation Park. Everyone is also invited to attend the FREE Runner’s Expo taking place on Saturday, September 26<sup>th</sup> from 10:00 AM to 6:00 PM in gorgeous Coronation Park on the shores of Lake Ontario. This Runner’s Expo will feature a variety of vendors distributing FREE samples and product information.
