

Nutrience Oakville Half Marathon Celebrates #10YearsRunning

Tuesday, September 13, 2016

For close to two centuries the Town of Oakville has been a destination for people looking to escape from the busy city lifestyle and truly appreciate what it means to relax by the water in a community-oriented town. 2016 marks the tenth year that the Nutrience Oakville Half Marathon has been bringing runners and walkers of all ages to the beautiful and scenic shores of Lake Ontario every fall to participate in a truly unique event.

As the leaves begin to change colour and the weather begins to hit that perfect temperature, it's time to lace up your shoes and put your summer training to the test. On Sunday, September 25, 2016 gather up your friends and family to help celebrate a decade of excellence while you run or walk through Downtown Oakville. It is truly hard to imagine a better way to spend a Sunday morning in Fall than running or walking downtown & along the waterfront with those closest to you.

Before the events begin, on September 25, all participants are invited to attend the Runner's Expo taking place on Saturday, September 24, 2016 from 10:00 AM to 6:00 PM in Coronation Park to pick up their t-shirt, runner's bib, and free Swag Bag which includes two free tickets to an OHL Mississauga Steelheads game! The Runner's Expo is free to the general public so you are encouraged to bring the family out to enjoy a beautiful day in the park and visit with the great vendors on site.

People of all ages can either run or walk one of five different distance events including: The Nutrience Half Marathon, 10K, 10K Student Relay, 5K, or 2K event with friends and family. Participants are guaranteed a beautiful and peaceful running experience as they travel through the pristine areas of residential and Downtown Oakville ultimately finishing at Coronation Park. With online registration set to close at 11:59 PM on Thursday, September 22, 2016 make sure you visit www.oakvillehalfmarathon.com for more information and to register.

We'll see you at the Start Line! #10YearsRunning
